

## Council Corner – July, 2018

Nipawin had the opportunity to host the CURLSASK Prairieland Curling Camp again this summer. Nipawin has hosted this event several times, and a number of people have returned year after year. During this year's school, a parent of one of the participants who has attended several times made the effort to stop at the Town Office to speak with me about our community. I would like to pass on her compliments and comments about "what a wonderful Town you have" ... "It's clean and vibrant and it's fun to come here" ... "We have recommended Nipawin to many of our friends and acquaintances over the years" and "Thank you, Nipawin."

### Catching up with Town activities:

- Effective May 16<sup>th</sup> the Boreal Area Regional Waste Authority (BARWA) officially obtained title for the area Landfill, now known as a Waste Diversion Centre. BARWA has assumed operation of the Centre through a service agreement with the Town of Nipawin.
  - ◇ With the changes to the area's Waste Diversion Centre the Town of Nipawin has updated its Waste Collection Bylaw to reflect upcoming changes.
    - ◆ Effective July 31<sup>st</sup>, all compostable materials (grass, leaves, etc.) are required to be in containers and/or paper bags. Compost in plastic garbage bags will no longer be picked up.

### Congratulations & Thanks:

- Congratulations to the organizers of the Nipawin & District Regional Park's 50<sup>th</sup> anniversary celebration on July 21<sup>st</sup> & 22<sup>nd</sup>. It was wonderful to see so many people from the area out at the park over the two days of celebration. A huge thank you to the event organizers, the various participants, the musicians, the services clubs, and to all who attended.
- Thank you and congratulations to the Exhibition Association and volunteers who organized the annual parade and street fair. It was truly heartwarming to see so many smiling faces along the parade route. Thank you everyone for your continued support.
- Thank you to the Living Forestry Museum for another amazing July 1<sup>st</sup> celebration. Thank you for the demonstrations, the fresh bread & pies, and for the opportunity to meet friends and neighbours.

### Reminders:

- In order to keep our Town clean and safe for everyone, bylaw enforcement continues to be a priority. This is a reminder to all residents to respect your neighbourhoods by keeping your yard as tidy as possible.
- We have received a number of concerns about ATVs and golf carts driving on Town streets. Please keep in mind that ATVs and golf carts are **NOT** allowed on Town streets. Section 6.1 of the Town's Traffic Bylaw states that *"No person shall operate an All Terrain Vehicle in any public place whether or not such public place is marked by a sign prohibiting or restricting the operation of All Terrain Vehicles"*.

I am always looking for your input and ideas to improve and enhance our community and to improve communication. To arrange an opportunity to speak with the Mayor, please contact the Town Office at **(306) 862 9866** to arrange an appointment. I am also available by e-mail at [mayorharper@nipawin.com](mailto:mayorharper@nipawin.com).
