

### Catching up with Town activities:

- Effective May 16<sup>th</sup> the Boreal Area Regional Waste Authority (BARWA) officially obtained title for the area Landfill, now known as a Waste Diversion Centre. BARWA has assumed operation of the Centre through a service agreement with the Town of Nipawin.
  - With the changes to the area's Waste Diversion Centre the Town of Nipawin has updated its Waste Collection Bylaw to reflect upcoming changes.
    - Please note that your compostable materials (grass, leaves, etc.) are required to be in containers and/or paper bags.
    - Please ensure that no sharps containers are placed into garbage, recycle or compost containers. Full sharps containers are to be returned to your pharmacy and may not be disposed of as household waste.
- The Communities Coming Together event (Community Hug) held in Central Park on May 12<sup>th</sup> was well attended. Approximately 500 people attended the afternoon in the Central Park event to thank the First Response Services from Nipawin, Tisdale, Zenon Park, Melfort, Carrot River, Arborfield and others. Numerous donations were received for food, face painting, children's activities and entertainment by Magician Roger Boucher. Saskatchewan Roughriders, Zak Evans and Eddie Steele and Gainor were in attendance to mingle with the crowd. Dignitaries included: Rob Muench, Mayor of Humboldt, MP Randy Hoback, MLA Goudy representing Premier Scott Moe, Carrot River Valley MLA Fred Bradshaw, and representatives from surrounding communities. Thank you to all who attended to share a hug. Among the honored guests were the Nipawin Jr. Hawks Team. The Hawks were presented with a signed Winnipeg Jets Jersey by Josh Morrow on behalf of his brother Joe Morrow #70 with the Winnipeg Jets. The Jersey was graciously accepted by Hawks Captain, Carter Doerksen.
- On May 9<sup>th</sup>, the Town of Nipawin held its third annual Open House event at the Evergreen Centre. The event included displays and information from each of the various departments of the Town of Nipawin as well as displayers from the Chamber of Commerce and the Twin Lakes District Planning Commission. Prairie Wild, a consulting firm completing the Nipawin Main Street program review was on hand to demonstrate the information gathered to date as well as to provide an opportunity for the public to have input into the final document. The event was also an opportunity for those who wished to provide input into the Town's Strategic Direction document to share their ideas.
