### **CODE OF ETHICS INVESTIGATION INITIATED**

**Nipawin, SK, (May 25, 2023)** – The Town of Nipawin Council has initiated a Code of Conduct investigation for Mayor Rennie Harper. This investigation will be a fair and impartial process that will take several weeks to complete.

All municipalities in Saskatchewan are required by the Municipalities Act to have a Code of Ethics Bylaw (BYLAW NO. 1118/21). The bylaw sets expectations for how council members should conduct themselves while carrying out their responsibilities and establishes a review and investigation process when a complaint is received.

Bloom Centre for Municipal Education has been engaged to complete the investigation, which will include process reviews, interviews, analysis, and summarization that will be compiled into a final report.

More information will be released as the investigation is completed.
