

UPDATE REPORT from Mayor David Trann (July 2016)

Wounded Warriors Weekend

The Wounded Warriors Weekend held on July 29th to July 31st is the third time that the Nipawin Wounded Warriors committee has hosted this international event. The weekend honours the men and women who served to protect us and helps to bring forward awareness on PTSD brought on by the traumatic events they have experienced. Military, Police and First responders are a special group who serve and protect our way of life in Canada. At this time, I would like to give our thanks to the organizing committee who have worked so hard to bring this event to the forefront so we do not forget those who made sacrifices on our behalf. This event has been made very special by the support and the presence of Her Honour, Vaughn Solomon Schofield our Lieutenant Governor of Saskatchewan. **“Respect, Honour and Compassion Never Ending”**

Town Square

The BID town square project is designed to attract Nipawin residents and visitors for planned events into the main street business district. Design of the bandstand has been completed with some changes made to accommodate a larger stage area. The committee has put in a lot of effort to ensure that the town square is constructed in a way so larger planned events may be hosted. The BID committee has also applied for accreditation in the Saskatchewan Main Street Program which enables access to more grant funding to enhance Nipawin's Business District.

Bylaw

Nipawin has many bylaws in place to ensure the well-being, safety, fairness of residents and for the beauty of our town. Our Bylaw Enforcement Officer has been busy informing people of the bylaws and their responsibilities as property owners. A bylaw reminder to property owners that only one unlicensed vehicle is allowed on property and storage of junked vehicles or units is not permitted. This bylaw, like all bylaws, is in place for the quiet enjoyment for all citizens.

Hoping you are having a safe enjoyable summer

Mayor David Trann
