The Nipawin Fire Department is accepting applications from women and men for the position of Volunteer Firefighter.

- ❖ Firefighters are required to respond to calls for emergency assistance including but not limited to fires, motor vehicle accidents, water/ice rescue, and hazardous material incidents. In addition to emergency response and training, volunteer firefighters participate in public education, and other community events.
- ❖ Responding to emergencies, on-going training, and community involvement requires a tremendous amount of time and commitment. It may require you to respond in the middle of night, during family activities, and holidays such as Christmas. Success in the position of volunteer firefighter is greatly attributed to the on-going support of family, friends, and your employer.
- ❖ You will participate alongside other firefighters in stressful, physically, and mentally challenging situations which can be inherently dangerous, for which you will receive special training.

You will also experience the satisfaction and enjoyment of educating the community about fire and life safety skills and behaviours.

THE EXPERIENCE OF BEING AN ACTIVE MEMBER WITHIN YOUR
COMMUNITY IS EXTREMELY REWARDING.

If you are up for the challenge and reward, please submit your application package, found on the Town website, at the Firehall, or the Civic Office to the undersigned:
