## Waste Collection and Recycling Bylaw

The Town of Nipawin adopted a new Waste Collection Bylaw effective January 1<sup>st</sup>, 2022. The new bylaw provides for standardization of the number of black waste collection carts and blue recycling carts provided to commercial businesses. Effective January 1<sup>st</sup>, all businesses will be provided with one (1) black waste cart and one (1) blue recycling cart.

Effective January 1<sup>st</sup>, 2022 it will be mandatory for all businesses and residents to recycle all recyclable materials.

Residences that currently do not have waste or recycling collection service will be provided with one (1) black waste cart and one (1) blue recycling cart per property.

Any property owner requiring additional waste and/or recycling carts or bins is asked to please contact MTN Disposal at (306) 862-1401.

If you have any questions, please contact Director of Works, Utilities and Engineering Jamie Fast at the Town office at (306) 862-9866.
