

Residential Garbage/Recycle Pick-Up Calendar

Collection Areas:

The Town is organized into four collection zones as noted on the map on the back of this sheet. Make note of which collection area applies to your residence and refer to the calendar.

Remember, garbage/recycling is not collected on statutory holidays, please note dates affected by statutory holidays for alternate pick-up dates.

Collection Time:
All garbage/recycling must be out by 7:00 a.m. on your collection day. Please ensure wheels are facing the curb and that cans are not left out past 7:00 p.m. During the winter months, please ensure the area around the container is kept free of ice and snow and the container is removed from the street as soon as possible. **Pick-up times will vary due to a number of circumstances, such as weather or equipment problems.**

Compost Collection: (April 16 – Nov. 5, 2025)

Acceptable compost items should be placed in garbage cans, green rollout carts or compostable paper bags, **not in "MTN" Garbage or Recycle Carts**, and placed within 6 feet of your front curb by 8:00 a.m. on Wednesdays. For residents that are situated on a corner lot, compost items should be placed on the curb which is opposite to your back alley. For a list of acceptable compost items, please refer to the Town's website at www.nipawin.com.
