### **Subject:** Upcoming Landfill Rate Changes – Spring/Summer 2025

Dear Residents and Landfill Partners,

We're excited to share an important update regarding the Nipawin landfill. In the spring/summer of 2025, we'll be introducing a new scale and office system to improve service efficiency and ensure fair, accurate pricing for all users. With this change, updated landfill rates will take effect.

These changes apply to the Town of Nipawin and its landfill partners, including the RM of Nipawin, the Village of Codette, the Village of Aylsham, and the Village of Tobin Lake. For anyone outside of these areas, the non-resident fee will apply.

### **New Landfill Rates – Effective Spring/Summer 2025**

#### **General Waste:**

**Residents** (Town of Nipawin, RM of Nipawin, Village of Codette, Village of Aylsham, Village of Tobin Lake):

- Minimum charge: **\$13.50** (first 100 kg)
- Rate over 100 kg: **\$82.50** per 1,000 kg

**Non-Residents** (Anyone outside these areas – 30% higher rate):

- Minimum charge: **\$18.00** (first 100 kg)
- Rate over 100 kg: **\$107.50** per 1,000 kg

#### **Recycling Fees:**
