MEDIA RELEASE

FOR IMMEDIATE RELEASE

September 9th, 2026

Town of Nipawin and Community Partners Launch Glen Day Field Project

NIPAWIN, SK – The Town of Nipawin, together with North East School Division, L.P. Miller Bears Football, the Friends of the Bears Booster Club and the Day family, is proud to officially launch the Glen Day Field Project, an initiative that will honour the legacy of a dedicated educator, community leader and longtime supporter of football in Nipawin.

The project will be formally introduced to the community during the L.P. Miller Bears' first home football game on September 11th, 2026, marking the beginning of an exciting effort to enhance the L.P. Miller football field and officially name it Glen Day Field.

Glen Day dedicated close to 30 years to education, including 27 years at L.P. Miller. His commitment to Nipawin extended well beyond the classroom. Glen served the Town of Nipawin as an elected official for approximately 30 years, including 12 years as Mayor. He was also a passionate football fan and official who was known for his humility, level-headed leadership and willingness to give his time to his school and community.

Naming the field in Glen's honour recognizes the lasting impact he made on generations of students, athletes and residents while creating a legacy that will continue to benefit the community for years to come.

"Glen Day represented so much of what makes Nipawin a strong community. He dedicated decades of his life to our students, our Town and the people who call Nipawin home. Naming this field in his honour is a fitting tribute to that legacy, while investing in a space that will continue bringing young people and our community together for generations."

— Mayor Marlon Zacharias, Town of Nipawin

The Glen Day Field Project has set a fundraising goal of up to $100,000 to support improvements to the football field, including a new scoreboard, goal posts and bleachers. A portion of the funds raised will also establish support for the training and development of football officials and coaches, helping strengthen the future of football in Nipawin both on and off the field.

The project is about more than improvements to a football field. It is an investment in local youth and in the values that sport helps develop – teamwork, leadership, confidence, discipline and perseverance. The L.P. Miller Bears football program provides student-athletes with opportunities to challenge themselves, build lasting friendships and proudly represent their school and community.

Community Invited to "Join the Game"

Businesses, organizations, families, alumni and community members are invited to become part of the Glen Day Field Project.

Sponsorship opportunities range from $1,000 Bear Pride sponsorships to a $30,000 Legacy sponsorship, with additional opportunities available at the First Down, Touchdown and Championship levels.

“The strength of this project is that it brings together the Town, the school, the football program, the Day family, local businesses and the entire community,” said Chelsea Corrigan, General Manager of Leisure Services for the Town of Nipawin. “We have an opportunity to honour someone who gave so much to Nipawin while creating something meaningful for the next generation. We are excited to see the community get behind Glen Day Field and help make this vision a reality.”

The Town of Nipawin encourages residents to attend the Bears’ first home game on September 11th to celebrate the official launch of the Glen Day Field Project, cheer on the L.P. Miller Bears and learn more about how they can support the project.
